

The image shows the Northend Bank mobile banking application. At the top, there's a navigation bar with links for Home, Spending, Account History, Credit Cards, Credit Score, Find a Branch/ATM, Loans & Mortgages, and About Us. The main section features a "My Accounts" summary with two large boxes: one for Checking (\$4,388.13) and one for Savings (\$8,200.09). Below these are two red buttons: "Pay Bills Online" and "Transfer Money". The central part of the screen displays a "Spending" history table with categories like Shopping, Groceries, Restaurants & Entertainment, Transportation, Health & Fitness, Other, and Bills. To the right is a "Transactions" history table showing recent activity from various merchants like Joellas Bloomington, Nicks English Hut, Amazon, Venmo Cashout, Fandango, and others.
